

# Break-out furniture

# olé

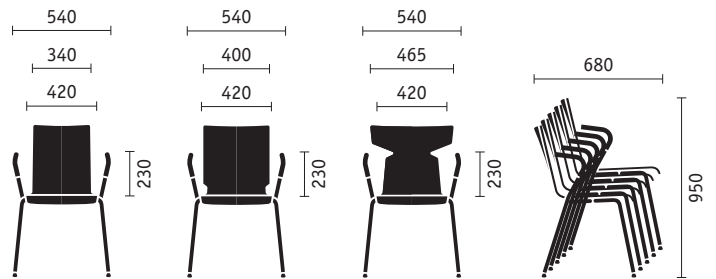

## Office chairs

4-leg model with steel frame, straight-sided-, tailored- or T-shape one-piece shell (picture: with laminate)

4-leg model with armrests integrated in the steel frame, straight-sided-, tailored- or T-shape one-piece shell, with seat and backrest cushion on request

Three shell shapes, three symbols combining different styles of architecture. Sedus olé is ideal for use in waiting, break and utility areas, cafeterias, casinos and lecture halls. Perfect ergonomic and functional qualities are complemented by optional features such as row linkage and seat/row numbering. Stacking and transport trolleys are available as accessories.
